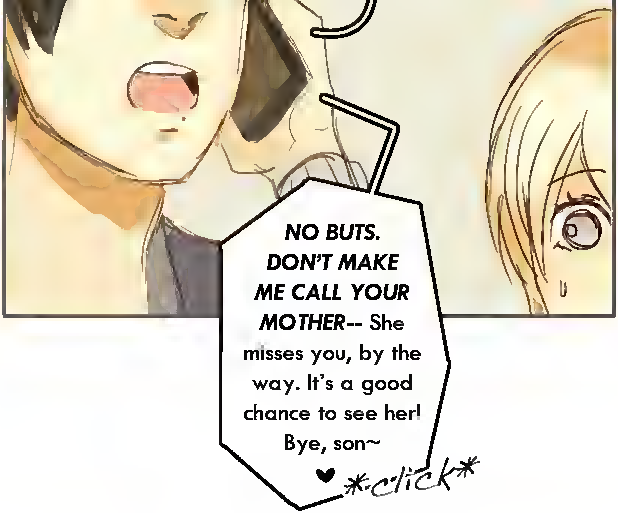
For me?

It's a return gift for the music box.
...
Can I open it now?



NO BUTS. DON'T MAKE ME CALL YOUR MOTHER-- She misses you, by the way. It's a good chance to see her! Bye, son~

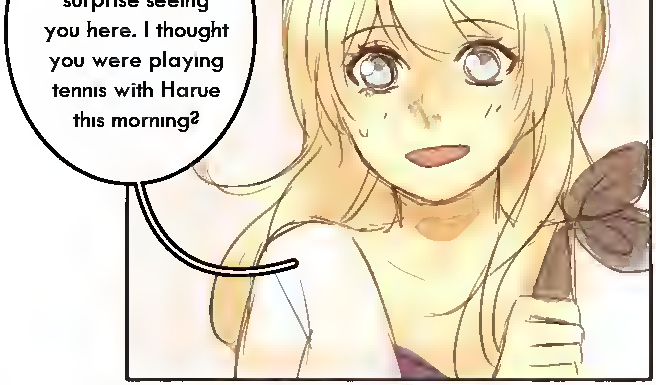
And he wonders *why* I don't call him anymore.
U-um... Dindin?

Well--
Um...
...
Are you going to see London?
...



surprise seeing you here. I thought you were playing tennis with Haruе this morning?

I forgot my phone, so I came back to get it...

She's gonna be here any minute now, and I'm nowhere close to being ready--

I already have plans today.

Sleeping daesn't caunt as "plans."

Listen, your mother and sister

nods

No, it's okay! Really! Family first; that's my policy!

Hello?

I think it's more surprising to see you in the boy's dorm oreo... Are you meeting up with someone?
you fixed your hair differently today...

A watch.
Is it because
I'm late all
the time?

Huh?
I don't need my inhaler, you worry too much, Roscoe.
It's better to be safe than sorry. Here.

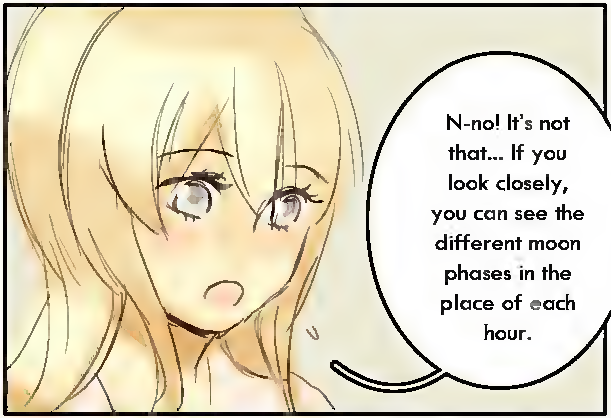
quarter moon, then the waxing cresent, and then the new moon...
D-do you like it?



N-no! It's not that... If you look closely, you can see the different moon phases in the place of each hour.

You're right. There's the first

to other people like this!
I think it's doing the opposite for me, but okay. Shall we get going then?

Dindin!
Are you awake?
It's me!

You're leaving campus, right?
Did you remember to bring your inhaler?

Landon! It's been a while, hasn't it? It's your father, remember?
Anyway, I was wondering if you were busy today. I need you to run some errands

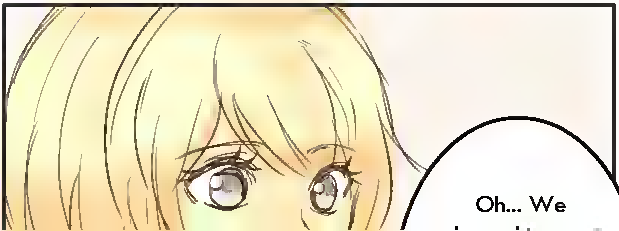
Yeah,
we probably
should. I'm
sorry.

late.

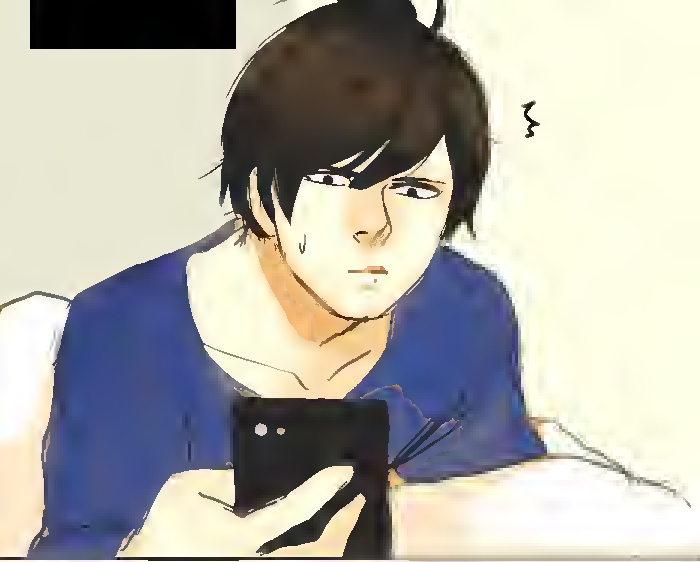
N-no, I'm sorry about barging in like that. I know better next time.

correctly, Landon was still sleeping.

Did you make sure to call or text him before coming here?

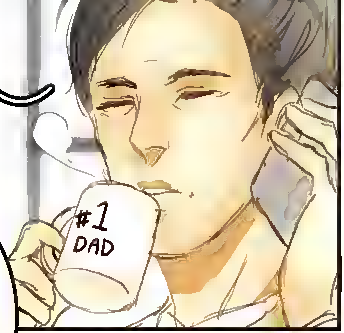


Oh... We



hove been reolly busy. Rosolie hos her interview ot the ocodemy tomorrow ond she needs signed popers from your mom.

I need you to go to the ogency ond get those for her, okoy?



But Dad--

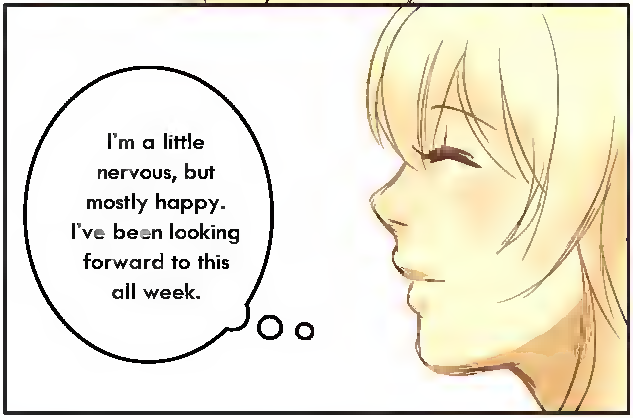
But...
If I remember



I'm a little nervous, but mostly happy. I've been looking forward to this all week.

SORRY!

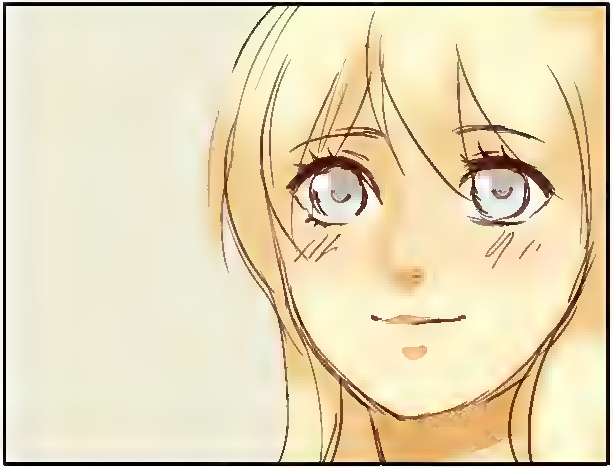
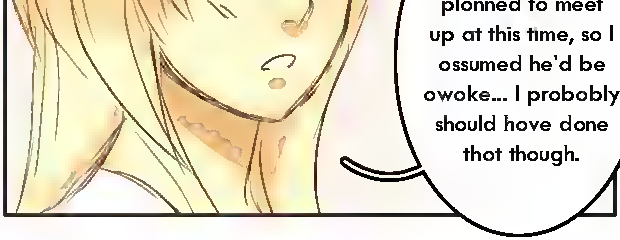
You're wearing your hair down.
Y-yeah, I thought I'd probably be less noticable

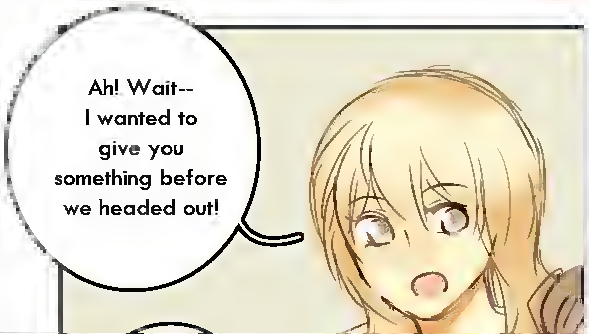


Sorry, I couldn't help but overhear.
Should we postpone our date today?



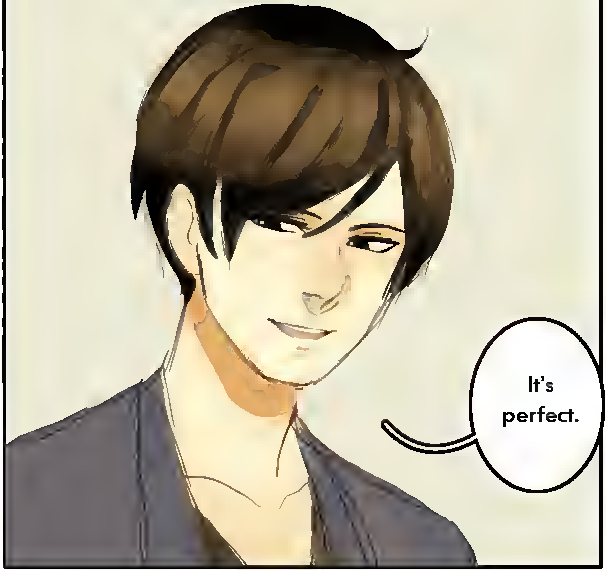
Crop--
I wos supposed to wake up on *hour* ago.

Eh?

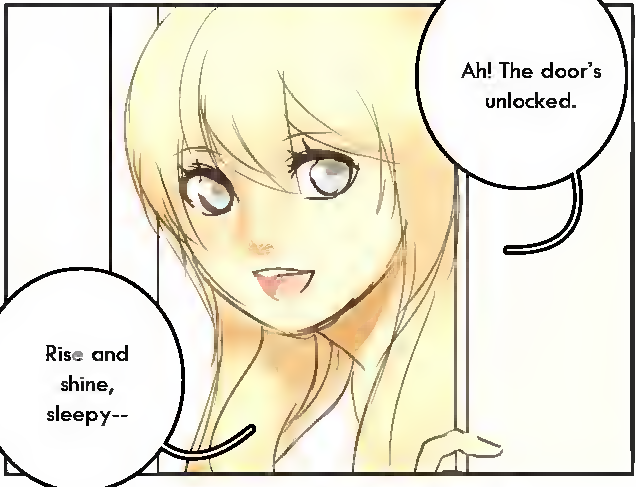


Ah! Wait--
I wanted to
give you
something before
we headed out!

Come with me?



It's perfect.



Ah! The door's unlocked.
Rise and shine, sleepy--

There was something about the look on her face that made me *not* want to leave her alone.
